

Stephen Agyei

PRONUNCIATION: Ay-jay

Memorably known for the “Whitest teeth in Denver,” your next comedian shines as bright as his mischievous smile. He’s opened for Dave Chappelle, Roseanne and was hand-picked by Duncan Trussell to open his most recent tour. You’ve seen him on VICELAND’s *Flophouse* and heard him on NPR’s “All Things Considered,” welcome to the stage: Stephen Agyei.
